

Day 1: Life Begins!

Thank you for participating in this Spiritual Adoption program! We hope you enjoy it. You will receive information with updates on your spiritually adopted baby's development each month.

Already, your spiritually adopted baby is a wonder! Even though she is only one cell, everything about this little person is already present: eye color, blood type, how tall she will be, hair color—everything! This baby will play a role in our community only she can play! This baby's parents do not even know she exists yet—please pray for them to safely bring their baby to birth so she can fulfill the mission God has planned for her.
