

## 8 Weeks - End of Month 2

“I am dancing!”

Thank you for praying for me. I am two months old now and about 2 inches long. Look! You can see my eyes, nose, and mouth. I will use them to experience God's world after I am born.

Guess what?

- ❖ Your baby is making progress developing all of her external features and internal organs.
- ❖ Her brain is functioning at 40 days.
- ❖ Everything your baby needs to survive after birth is already present by the end of the 8<sup>th</sup> week!
- ❖ She loves to hop, jump and flip – her first dance steps!
