

Description:

The young individuals born in the United States and young migrants pose a great challenge for evangelization. OHM wants to involve young people at a parish level so that they can grow in their personal and spiritual identity. By doing this, these young individuals can receive training in leadership and be missionary disciples of the gospel.

Evangelizar con Alegría- Evangelize with Joy – Material in Spanish.

This program offers a series of 7 reflections, readings and dialogue for young adults between the ages of 18-25.
