Annual Spiritual Retreat

The Annual Spiritual Retreat is open to adults of all cultures and provides opportunities to participate in liturgy, prayer, discussion, and fellowship in order to renew our spirituality. The Annual Retreat is held in the Fall.

Young Adult Retreat

The young adult retreat is open to adults age 18 - 39 of all cultures. We are committed to the challenge of continuing our formation after high school and making our faith a priority in our lives. We seek representation and give voice to those who are younger. Join us as we break the cycle of diminishing our presence in the Church as young adults. The Young Adult Retreat is usually held in the Summer.
