

NATIONAL Eucharistic Revival

The National Eucharistic Revival is a movement to restore understanding and devotion to the great mystery of the Eucharist here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.

The National Eucharistic Revival is not a program to download or formula to follow. Instead, Our Lord is inviting each of us to follow his lead, meeting the unique needs of your community in the way that best fits the culture and character of your people.

To get you started, consider some of the ideas and resources listed below.
