

**The Goal** of this office is to facilitate the interaction of the Hispanic in the new intercultural communities at the Catholic Diocese in Richmond, forming one body in Christ's name.

**Mission:**

Our mission is to support the Hispanic community through the integration of programs and new initiatives under the methodology of Walking by Faith. In this way, we will develop programs in order to better understand the gospel (Word), renew our appreciation of the sacraments and the popular devotions of the Hispanic people (Worship), reinforce holiness in marriages and families (Community), and encourage participation in the parishes and Catholic schools (Service)

The Hispanic Face in USA
