

Haiti Commission Meeting – August 23, 2023

Dos Palais Clinic – St. Michael's – St Michael's request for recommendations from the Haiti Commission on what to do about funding the Dos Palais Clinic

- Clinic agreement has expired
- Original arrangement not kept – clinic never picked up by Caritas in Haiti
- Cost \$50,000 – realistically this can only be managed one more year – preferably only this calendar year
- It was suggested to look into a grant by Bon Secours
- It was mentioned that Saltadere is in the same situation – Fr. Herald

Diocese of Hinche Strategic Plan - Discussion took place surrounding this plan and the need to get everyone to work with their twins towards the same goals

- Fr. Goertz stated this was different then what has been done in the past – more of a shared ecclesial experience approach
- This is both/and strategy – parishes can still work with their twin parish – but work towards same goals that impact the Diocese of Hinche
- More global and intentional

Diocesan Regional Gathering for Haiti

- Determined we need a small sub-group to work on this outside of the meetings
