Haiti Travel Advisory

June 29, 2023

The U.S. Department of State continues to issue a Level 4 travel advisory for Haiti, urging individuals not to travel to the region due to crime and civil unrest. This recent travel advisory indicates the same level of civil unrest issued on March 5, 2020.

While the Diocese of Richmond remains fully committed to the people within the Diocese of Hinche and the entire country of Haiti, the safety of our parishioners is of utmost concern.

Therefore, any travel sponsored by any parish, school, college campus, or other diocesan entity to the country of Haiti is prohibited for the foreseeable future due to the unstable situation in the country.

The Office of Social Ministries will continue to monitor the situation and will provide updates as necessary. We ask you to join with us in praying for peace and stability to soon be brought to this country.

For any questions about this advisory, contact the Office of Social Ministries at osm@richmonddiocese.org.
