**Virginia’s Education Improvement Scholarship Tax Credits Make Helping Deserving Children Even More Rewarding.**

Thanks to Virginia’s Education Improvement Scholarships Tax Credits (EISTC) program, donations to approved foundations will provide scholarships for students from low-income families at non-public schools. Individual or business donors then receive a 65% tax credit.

The Catholic Diocese of Richmond’s McMahon Parater Scholarship Foundation is approved by the Virginia Department of Education to receive donations under this program. The Foundation distributes scholarships to qualifying students who attend one of the 30 Catholic schools in the Diocese.

Save on State and Federal Taxes

In addition to a 65% state tax credit, individuals and businesses may also receive a deduction for a charitable contribution, and therefore achieve tax savings in two ways:

1. **Deductions against taxable income as a charitable donation on both federal and state income taxes.**
   - The tax reduction equals 35% of the contribution amount times the tax rate of the applicable tax (federal or state)
   - Subject to rules governing deductibility of charitable contributions

2. **Credit against Virginia taxes.**
   - Tax reduction equals 65% of the amount of the donation
   - Credit is non-transferable

**Businesses Can Claim the EISTC Against:**

- Virginia Corporate Income Taxes
- Virginia Bank Franchise Tax
- Virginia Insurance Premiums License Tax
- Virginia Public Service Corporations Tax
- Personal Income Taxes via pass-through entities such as S-Corporations, LLCs and Partnerships.

The amount of the Tax Credits may not exceed the donor’s tax liability for the year in which the credit is claimed, but Tax Credits may be carried over for up to five succeeding years.

**Important:** Consult your tax advisor to determine your specific tax savings.
