Wednesday Activity Sheet for Children/Families

Parents: Explain to your children about the spiritual tradition of praying the [Stations of the Cross](#). Watch and pray a [video version](#) from Catholic Kids Media (12 mins). During the prayer, encourage children to think about how they FEEL during the stations. Encourage them to record their feeling in each box with a symbol, word, color or emoji. Today's message is "Shining Like Stars ... Through the Darkness." While Jesus' final hours are full of darkness, His story does not end with death on the cross, but in the new life of Resurrection that we celebrate at Easter. It is important that we recognize and accept all our feelings, and as Christians, we are always aware that HOPE is our great gift.

Shine like Stars...

APRIL 6-8, 2020

Jesus' life, death and resurrection give us hope in our own lives. Below, draw a picture or make a word collage to show the joy and hope you have because you know of Jesus' love for you:

To conclude, pray Psalm 27 together from your family Bible or with this [video](#).
